The Honorable Tom Cole,  
Chairman  
Subcommittee on Transportation,  
Housing and Urban Development, and  
Related Agencies  
House Committee on Appropriations  
Washington, D.C. 20515

The Honorable Mike Quigley,  
Ranking Member  
Subcommittee on Transportation,  
Housing and Urban Development, and  
Related Agencies  
House Committee on Appropriations  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member Quigley,

As you begin your critical work on the Fiscal Year 2024 Transportation, Housing and Urban Development, and Related Agencies Appropriations bill, I request that you to include \$6,000,000 for the City of Campbell's Hamilton Avenue Rehabilitation and Complete Streets Improvements project. This request for Community Project Funding is associated with the Department of Transportation Highway Infrastructure Projects account.

The requested funding will allow the City to rehabilitate the pavement along the 3-mile stretch of Hamilton Avenue while providing a continuously accessible corridor for pedestrians and bicyclists. Hamilton Avenue is a major roadway divided by a landscaped median island, whose primary function is to serve through traffic for inter-city and intra-city trips. This major corridor runs east-west across the entire City and provides access to adjacent retail, office, and residential properties. The corridor supports the economic vitality of the City anchored by large employers on the eastern end of the corridor, and all along the corridor by several neighborhood shopping centers and big box stores. To support the land use and community needs, public transportation is available by way of a Valley Transportation Authority Light Rail Station (Hamilton Station) and a bus line with multiple stops throughout the corridor. To advance pedestrian and bicycle accessibility, the project will implement green buffered bike lanes and ADA compliant curb ramps and pedestrian improvements.

As an indication of community support, I've enclosed a letter of support from the Honorable Anne Bybee, Mayor of the City of Campbell.

If enacted, this request would improve the safety and transportation experience on a major roadway for all road users in my Congressional District, and it's why I wholeheartedly support this Community Project Funding request and ask that you do so as well.

Most gratefully,

A handwritten signature in blue ink, appearing to read "Anna C. Eshoo", with a large, sweeping flourish extending to the right.

Anna C. Eshoo
